Our Services

Heavy Equipment Rental

ACT Crane delivers comprehensive solutions to meet your needs with a vast fleet of state-of-the-art equipment. Our dedicated team assists you in selecting the right tools, ensures on-time delivery, and provides 24/7 support. Services provided based on quality, safety and time. Allowing you to focus on success. Build with confidence—build with ACT Crane. Furthermore, we provide cranes ranging from 8 tons to 1200 tons.

Logistics Solutions

ACT Logistics serves as a strategic partner in delivering comprehensive logistics solutions tailored to meet the diverse needs of businesses. Committed to efficiency and reliability, our services encompass the entire supply chain, ensuring seamless transportation, warehousing, and distribution.

Partner with ACT Logistics for a streamlined and cost-effective approach to managing your logistical requirements. In addition, we offer boom trucks, low bed trailers, and flatbed services.

Our Services

Industrial Services

ACT Group Industrial services is your premier partner for specialized solutions across Saudi Arabia's process industries. We manage EPC projects (Engineering, Procurement, and Construction), complex shutdowns, and critical maintenance, with expertise in chemical cleaning, turnkey turnarounds, and pre-commissioning. Our commitment to customer satisfaction, quality, and safety drives us to be your trusted partner in achieving operational excellence.

Industrial Waste Management

ACT Waste Management is your dedicated partner in implementing effective and sustainable waste solutions. Our expert team utilizes advanced technologies and environmentally responsible practices to address all aspects of waste disposal, recycling, and environmental stewardship. Trust ACT for waste management services that comply with regulatory standards and contribute to a cleaner, more sustainable future.

Our Services

Stationary Equipment Rental

ACT provides world-class power solutions that enhance operational efficiency, minimize downtime, and promote sustainability. We offer a range of diesel generators from 10 to 1450 KVA for sale and rental, suitable for all applications, including construction sites, plants, and remote areas. Our specialized technicians provide 24/7 support for services and maintenance.

Moreover, we offer rentals for air compressors, welding machines, tower lights, and telehandlers.

Rig-Move Services

ACT offers specialized rig-move services tailored to meet the unique demands of the energy and drilling industry. Our experienced team ensures the efficient relocation of drilling rigs, providing comprehensive solutions to support the seamless execution of rig movements. Trust ACT for precision, reliability, and excellence in rig-move services.

Our Services

Manufacturing

ACT constructs state-of-the-art manufacturing plants swiftly. We design and build facilities tailored to your specific needs, including conveyor systems, cooling, and treatment solutions, driving the growth of new industries across the region. Partner with ACT to shape your manufacturing future with speed and efficiency.

Trading

ACT Trading goes beyond supplying materials; we connect you with market-leading suppliers worldwide. Our local warehouses and skilled engineers ensure competitive pricing and expert support for the Oil & Gas, Petrochemical, and construction sectors, as well as specialized oilfield equipment. We manage procurement, supply, and installation, simplifying your workflow and driving your business success.

Our Certificates

Our certifications not only demonstrate our ability to meet and exceed the highest industry standards, but also serve as a testament to our commitment to quality. This ensures that our clients have confidence in the reliability, performance, and integrity of our services and products.
